User	LISA JOHNSON
Building	Professional Development Support (9759)
Department	Admin (Union)
Employee ID	16011
Job Title	STAFF ASSISTANT
Submitted	4/28/2015 8:44 am
Dates	8/25/2014 to 9/19/2014
Reference ID	D17209-A0-L45032927
Team Room Activity	Instructional Design and Technology
Student Learning - CARE	
Standard(s)	
Standards	Florida Standard SC.6.E.7.1- Differentiate among radiation, conduction and convection, the three mechanisms by which heat is transferred through Earth's System.
PLC Minutes for which date?	
Name of CARE Cycle	9759 Sample Minutes _08_25_14
Cycle Start Date	8/25/2014
Today's Date	9/19/2014
Curriculum	
	Students will be able to define and provide examples of interactions among the geosphere, hydrosphere, cryosphere, atmosphere and biosphere, and provide an example for each of the three mechanisms of heat transfer within the Earth's system.
Date	8/25/14
Time on Task	1
Assessment	
	Data from Teacher developed CFA shows that 100% of students increased their level of proficiency by at least 30%. Mastery of the standard was met at 75% by 80% of the students. CFA was developed at DOK level 3.
Date	9/2/14
Time on Task	1
Remediation	
	Students will be grouped according to mastery level for remediation. Teachers will use hands on activities, myhrw.com and Gizmos in order to help students meet mastery.
Date	9/10/14
Time on Task	1
Enrichment	
	Students who met mastery will be grouped together and challenged with developing a concept map.
Date	9/10/14
Time on Task	1
Adult Learning - Prepare to CARE	
Curriculum	

The team determined that they need additional knowledge in developing strategies for chunking content. PLC facilitator will ask literacy coach to model chunking strategies for team. Marzano, DQ2: Element #9			
Date	9/19/14 (Note: Multiple dates and times can be included in these sections.)		
Time on Task	1		
Assessment			
Team will collaboratively write CFAs to find out what students know and are able to do to appraise and inform their teaching and adjust instruction. Team will use the FDOE website modules to explore CFA development: www.fdoe.org/sso (Website link is also located in the MLP - Just in Time Resources for Teachers section.)			
Date	9/3/14		
Time on task	2		
Remediation			
Teachers will read How to Differentiate Instruction in Mixed-Ability Classrooms by Carol Ann Tomlinson. Based on what's learned, teachers will implement research-based strategies that align to student differences in readiness, interest, and learning needs.			
Date	9/8/14		
Time on task	.5		
Enrichment			
A master teacher will coach the team through reconstructing the standard to prepare and implement performance tasks at Webb's DOK 4 to extend and enrich learning of students.			
Date	9/8/19		
Time on task	.5
